Vivaldi Social Care: What Should Social Care Data Tell Us Next?

Mike Slator

Project Support Specialist

**The Outstanding
Society**

Alex Devkota

Senior Policy Officer

Care England

Kate Meacock

Campaigner

Rights For Residents

In partnership with

If we had the Data, what would you want to know?

Turning the information social care already holds into evidence that improves people's lives.

You may already be doing research.

Have you ever...

- ✓ changed something because you thought it would improve care?
- ✓ looked at your data to see whether it worked?
- ✓ asked residents or staff whether it made a difference?
- ✓ compared what happened before and afterwards?

We started with infection. What else should social care know?

PEOPLE

WORKFORCE

CARE

SYSTEM

The infrastructure is only useful if it helps answer questions that matter.

You're in charge of VIVALDI.

Imagine we have the appropriate ethics, governance and safeguards.

We can securely connect information from social care with relevant information already held within the NHS.

WHAT WOULD YOU WANT TO KNOW?

SOCIAL CARE SHOULDN'T JUST PROVIDE THE DATA

Social care should help decide the questions.
